Do you have any experience in working with people with developmental disabilities? If yes, please describe.

What is your volunteer experience? Please list the organization(s) and the volunteer work you did at each organization(s).

## **VOLUNTEER OPPORTUNITIES (must be at least 18 years old):**

**Puppy Raisers** (the dogs are between 6 months to 1 year old): Puppy Raisers should be committed to the process as they provide valuable service for the dogs and ADW by reinforcing the trainings and providing different experiences. Puppy Raisers can be full time, weekends only or respite; Puppy Raisers must participate in introductory Puppy Raiser classes (1 hour/week for 8 - 12 weeks); Puppy Raisers learn ADW cues. Once you have gained the experience and skill to take a dog home, you will be matched with the appropriate dog. You can then have the dog in the home for bonding, socialization and to have new experiences. Puppy Raisers must participate in 90% of the advanced Puppy Raiser classes (1 hour/week while the dog is in the home). Public Access -- the Puppy Raiser must gain the skills to pass the public access test. These skills are taught in the advanced classes. Puppy Raisers will complete all ADW required documentation. Puppy Raisers must be able to provide crate, leash, food, treats/treat bag, grooming kit; must have a fenced yard.

**Weekend Puppy Raisers** will attend Advanced Puppy Raiser class on Thursday evening and will take the dog home after class. The Puppy Raiser will return the dog to the ADW office on Monday morning.

**Daily Puppy Raisers** will attend Advanced Puppy Raiser class on Thursday evening and will take the dog home after class for the weekend. Puppy Raisers will drop the dogs off Mondays between 7:45 am and 8:00 am for Albuquerque WCC. Puppy Raisers will drop the dogs off Tuesday through Thursday between 7:45 am and 9:30 am. Puppy Raisers will pick the dogs up each afternoon between 4:00 pm and 5:00 pm. Puppy Raisers will feed breakfast and ADW Staff will feed dinner.

**Puppy Sitters** (puppies from birth to 16 weeks): Ensure the health, wellness and safety of the mother and the puppies; monitor feeding/rotation of the puppies; monitor the temperature of the whelping box; gently snuggle and cuddle the puppies after they are 2 weeks old; learn ADW cues; clean puppy area; feed mother dog and puppies; walk mother dog; keep water refreshed; read daily log and document activities during the shift, noting behavioral changes; housekeeping duties that may include laundry, keeping studio and pen clean; be on time to relieve ADW staff or volunteers; may support Puppy Enrichment Center with overnight coverage.

The puppies change significantly during this time so the responsibilities will change as they grow. The following are guidelines of volunteer duties for the development stages for the pups:

**Birth to three weeks** - more observation and intensive monitoring of the pups; little handling of the pups; ensuring pups are properly feeding; significant amount of note taking and record keeping.

**Three to eight weeks** - lots of changes for the puppies; pups are moving around a lot and are engaging with Mom, siblings and humans; continued observation and monitoring; teething begins; pups move to larger pen; volunteers are responsible for feeding; litter box cleanup.

**Eight to twelve weeks** - more challenging, complex expectations for volunteers; managing to puppy behavior (teething, jumping, gate crashing); feeding pups individually.

**Twelve to sixteen weeks** - volunteers are required to attend Advanced Volunteer Training classes conducted by ADW professional trainers. This will provide the skills needed to support the training of the pups as they get older; more intensive task training; higher expectations for pups and volunteers; socialization period is closing and pups are bigger and stronger, approaching adolescence.

**Dog Snuggles/Grooming/Feeding:** Work with dogs 16 weeks and older at the ADW training center. Monday, Tuesday, Thursday and Friday, 2:00 pm to 3:30 pm. Snuggle with the dogs and give them one on one attention. This will include grooming and working with the dogs on mental games/dog puzzles. Names of the available dogs will be listed on the volunteer whiteboard and supplies will be set aside for the volunteer. The end of the shift includes assisting with feeding the dogs that are at the ADW training center.

**Rail Trail Walks:** Work with dogs 16 weeks and older at the ADW training center. Monday and Friday, 9:00 am to 10:00 am. ADW Trainers will lead volunteers on walks on the rail trail. Volunteers will be trained on proper walking protocols. Once volunteers become proficient with walking the dogs, they will take a dog for a walk on their own. Names of the available dogs will be listed on the volunteer whiteboard. Supplies and a profile that describes the dog's walking habits will be provided. Volunteers will complete a feedback report after each walk.

**Relaxation Runs (play time): \*\*Replaces Hiking with an ADW Canine\*\*** Work with dogs 16 weeks and older. Tuesday and Thursday, 9:00 am to 11:00 am. Volunteers take a dog to the single use dog run at the Santa Fe Animal Shelter or to the dog parks at Salvador Perez or Fort Marcy if no other dogs are in the run. This training is designed to give the dogs exercise through play, walking and running. Multiple volunteers can take dogs at the same time to allow for more dog play. Names of the available dogs will be listed on the volunteer whiteboard. An ADW staff member will assist with getting the dog ready and into the car. Supplies and a dog's behavior profile will be provided. Volunteers will complete a feedback report after each outing.

**Doggie DIY Workshops:** 10:00 am to NOON every other Monday. Develop new enrichments for the Puppy Enrichment Center and for dogs at the ADW training center. These hands-on workshops are led by an ADW Trainer and we will create age appropriate enrichments for the Puppy Enrichment Center. Prepare supplies for the dogs at the ADW training center (i.e. marrow bones, Kongs with treats, etc.)

**Vet Transport:** Accompany ADW staff on veterinary appointments to handle the dogs in the lobby.

**Outside Training Yard Activities – weather permitting:** Participate with an ADW Trainer in outdoor exercise activities with the dogs, i.e. up and over equipment, fitness equipment, tunnels, exercise equipment.

**Fundraising:** Liaison with new donors, foundations.

**Marketing/Public Relations:** Run an informational donation table at community events; get your children involved and host a bake sale, educate your customers on where the monies are going and why; host an event, such as a cocktail party, at your home or business to introduce your family and friends to ADW; have your business sponsor a dog in their graduation year, the chosen canine will wear your company logo on their vest wherever they go in the community and make frequent stops to your business; open a conversation between ADW and your financial advisor. Develop allies in the financial community to promote ADW to their clients interested in making charitable contributions and estate bequests.

**Volunteer Expertise:** Special training that a volunteer could offer to Assistance Dogs of the West, e.g. CPR trainer, accountant, photographer, writer.

## **REQUIREMENTS:**

All volunteers must participate in Volunteer Orientation and other training classes specific to the volunteer activity. Volunteers that work with the dogs must be able to stand, bend, stoop, kneel, crouch and perform a variety of physical motions with hands, arms and legs and be able to lift 20 - 50 pounds in order to care for ADW dogs and pups.
